

Event

EDPMEDIA Profession Learning Center (ELC) mengadakan Training Onsite "Planning & Controlling (PMS 101) dan Resources Management (PMS 102)" dengan menggunakan software Primavera 6.2 bagi para karyawan (BP), pada tanggal 20 & 22 Mei 2009 & 11 – 12 Juni 2009 bertempat di BP West Java Ltd. Office, Arkadia Building – Jakarta Selatan.

EDPMEDIA Profession Learning Center (ELC) mengadakan Training Onsite "Satellite Image Base Map (MAP 101) dan Fiber Optic Network (FMS 101)" dengan menggunakan software AutoCAD Map 2009 bagi para karyawan PT. (Persero) Telekomunikasi Indonesia, Tbk Learning Center Area II DKI Jakarta , pada tanggal 6 Mei 2009 & 7 – 8 Mei 2009 (Angkatan I) dan 12 Mei 2009 & 13 – 14 Mei 2009 (Angkatan II) bertempat Gedung Learning Center Area II DKI Jakarta.

Info Training

CAD 101 (AutoCAD Basic)

1(one) day short course (09.00-17.00 wib)

Outline :

- Interface
- Layer & Object Properties
- Draw Commands, Object Selection
- Modify Commands, Text & Dimension
- Hatch, Plotting

CAD 102 (Plant 3D CAD)

2(two) days short course (09.00-17.00 wib)

Outline :

- 3D Modelling **NEW**
- Plant Modelling
- Modification Tools
- Connection
- Export to AutoCAD

MAP 101 (Satellite Image Base Map)

1(one) day short course (09.00-17.00 wib)

Outline :

- Citra quickbird
- Convert ke TIFF ke ICW
- Auto CAD MAP 3D 2008, MapBook
- Vektorisasi citra satellite quickbird
- Input citra satellite quickbird

CED 101 (Site Development)

2(two) days short course (09.00-17.00 wib)

Outline :

- Digital Base Map with GPS Reference
- Data Point, Contour & 3D Surface
- Analyzing Surface, Profile
- Engineering Drawing Production
- Prepare BOQ and Cost Estimate

CED 103 (Road Development)

2(two) days short course (09.00-17.00 wib)

Outline :

- Horizontal & Vertical Alignment
- Road & Corridor Modelling, Cross Section
- Quantity take off/Estimate volume
- Engineering Drawing Production
- Prepare BOQ and Cost Estimate

GIS 101 (Land Use Analysis)

2(two) days short course (09.00-17.00 wib)

Outline :

- Base Map Topology
- Create Map Attribute with Internal Data Base
- Link Attribute Map with External Data Base
- Use Query to Analyze Data, Spatial Data Files (SDF2 & SDF3), Map Import & Export
- Map Theme, Map Menu Customization

SAD 101 (Structural Analysis & Design)

2(two) days short course (09.00 - 17.00 wib)

Outline :

- Model Geometry
- Property
- Specifying Load & Analysis Option
- Analyzing & Designing Steel & Concrete Members
- Creating Engineering Report

ABM 101 (Activity Based Cost Estimate)

1(one) day short course (09.00-17.00 wib)

Outline :

- Mengelola Harga Satuan, Analisa Harga Satuan Kegiatan
- Menetapkan Estimasi Biaya
- Mencetak Laporan Harga Satuan, Mencetak Laporan Estimasi
- Export RAB

Fasilitas Training :

- Manual Training
- Makan Siang
- Training menggunakan software original (new edition)
- Install Software Trial pada Laptop (Jika peserta ingin install program , harap membawa laptop, kecuali Primavera)
- Mendapatkan keanggotaan ELC Membership selama 12 bulan dan dapatkan diskon untuk training selanjutnya

Info ELC Calender Training 2009

- Dapatkan jadwal training lainnya yang dapat di akses melalui website www.edpmedia.com / www.edpmedia.co.id
- Info lebih lanjut hubungi Sdri. Novi 02130138647
e-mail : elc@edpmedia.com

Coming Soon (All New) :

- AMS 101 (Plant Asset Management)
- CED 106 (Oil & Gas Infrastructure Development)
- FMS 101 (Fiber Optic Network Facility Management)
