A tradition of quality learning environment since 1986

Jadwal Certified Short Course April 2012

Certified Short Course	Pre-requisite	Day	April																											Keterangan
			1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	
Civil Engineering Design																																	
CED 101 - Site Development	MAP 101 / CAD 101	2																	17	18													
CED 103 - Road Development	CED 101	2																			19	20											
CED 105 - Mining Infrastructure Dev.		2																			19	20											
Automated Mapping																																	
MAP 101 - Satellite Image Base Map		1																16															
Geospatial Information Management																																	
GIS 101 - Land Use Analysis	MAP 101	2																	17	18													
Computer Aided Design																																	
CAD 101 - AutoCAD Basic & Advance		3									9	10	11																				
CAD 102 - Steel Plant	CAD 101	2												12	13																		
CAD 103 - Steel Tower	CAD 101	2												12	13																		
Structural Analysis Design																																	
SAD 101 - Steel Plant Structural		2																							23	24							
Mechanical Electrical Plumbing																																	
MEP 101 - Revit MEP		2																									25	26					
Architructural Design																																	
ACH 101 - Revit Architecture Basic		2																								24	25						
ACH 106 - BIM - Green Building Design	ACH 101	2																										26	27				
Project Manajement																																	
PMS 101 - Planning & Controlling		2																															
PMS 102 - Resources Management	PMS 101	2																															
Activity Based Management																																	
ABM 101 - Activity Based Cost Estimate		1		2																													
Foundation & Geotechnique																																	
FAD 104 - Slobe Stability Analysis		2				4	5																										

WAFAT YESUS KRISTUS

Jadwal Certified Short Course Mei 2012

Certified Short Course	Pre-requisite	Day	Mei																													Keterangan
			1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	
Civil Engineering Design																																		
CED 101 - Site Development	MAP 101 / CAD 101	2																					21	22										
CED 103 - Road Development	CED 101	2																							23	24								
CED 105 - Mining Infrastructure Dev.		2																							23	24								
Automated Mapping																																		
MAP 101 - Satellite Image Base Map		1														14																		
Geospatial Information Management																																		
GIS 101 - Land Use Analysis	MAP 101	2															15	16																
Computer Aided Design																																		
CAD 101 - AutoCAD Basic & Advance		3							7	8	9																							
CAD 102 - Steel Plant	CAD 101	2										10	11																					
CAD 103 - Steel Tower	CAD 101	2										10	11																					
Structural Analysis Design																																		
SAD 101 - Steel Plant Structural		2																								24	25							
Mechanical Electrical Plumbing																																		
MEP 101 - Revit MEP		2																														30	31	
Architructural Design																																		
ACH 101 - Revit Architecture Basic		2																												28	29			
ACH 106 - BIM - Green Building Design	ACH 101	2																														30	31	
Project Manajement																																		
PMS 101 - Planning & Controlling		2																																
PMS 102 - Resources Management	PMS 101	2																																
Activity Based Management																																		
ABM 101 - Activity Based Cost Estimate		1	1																															
Foundation & Geotechnique																																		
FAD 104 - Slobe Stability Analysis		2			3	4																												

HARI RAYA WAISAK

KENAIKAN ISA AL-MASIH

Jadwal Certified Short Course Juni 2012

Certified Short Course	Pre-requisite	Day	Juni																													Keterangan
			1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	
Civil Engineering Design																																	
CED 101 - Site Development	MAP 101 / CAD 101	2																		18	19												
CED 103 - Road Development	CED 101	2																				20	21										
CED 105 - Mining Infrastructure Dev.		2																				20	21										
Automated Mapping																																	
MAP 101 - Satellite Image Base Map		1																									25						
Geospatial Information Management																																	
GIS 101 - Land Use Analysis	MAP 101	2																										26	27				
Computer Aided Design																																	
CAD 101 - AutoCAD Basic & Advance		3											11	12	13																		
CAD 102 - Steel Plant	CAD 101	2														14	15																
CAD 103 - Steel Tower	CAD 101	2														14	15																
Structural Analysis Design																																	
SAD 101 - Steel Plant Structural		2																					21	22									
Mechanical Electrical Plumbing																																	
MEP 101 - Revit MEP		2																												28	29		
Architructural Design																																	
ACH 101 - Revit Architecture Basic		2											11	12																			
ACH 106 - BIM - Green Building Design	ACH 101	2													13	14																	
Project Manajement																																	
PMS 101 - Planning & Controlling		2																															
PMS 102 - Resources Management	PMS 101	2																															
Activity Based Management																																	
ABM 101 - Activity Based Cost Estimate		1				4																											
Foundation & Geotechnique																																	
FAD 104 - Slobe Stability Analysis		2							7	8																							

ISRA MI'RAJ

Certificate No. ID07/0953

Catatan :
- kelas di mulai jika 4 peserta terdaftar (maksimal 8 peserta/kelas)
- Pelaksanaan untuk short course yang lain berdasarkan kesepakatan dengan peserta

Autodesk Authorized Training Centre
DIGITALGLOBE
ORACLE Gold Partner | ORACLE PRIMAVERA
GEO-SLOPE
erdas The Earth to Business Company
Bentley
